Are you covered?

If you are on Oil Heat, protect yourself from the cost of a cleanup resulting from a leaking tank by being insured with the Pollution Liability Insurance Agency (PLIA). Contact your oil heat dealer, or the PLIA directly, on-line or by phone.

PLIA Phone: 1-800-822-3905

Tank cleanups

Non-invasive Bio-Remediation or Contamination Removal Cleanups.

Tank Replacements

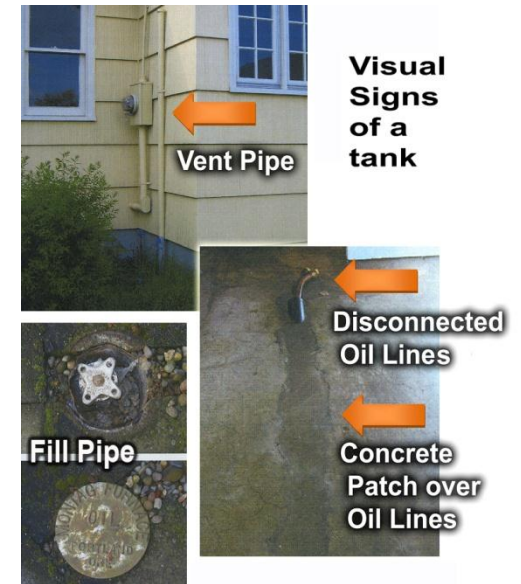

We offer 3 types of new replacement oil tanks.

- Steel tanks,
- Fiberglass underground tanks,
- Above ground steel tanks,

Do you have a heating oil tank?

Even if you are not using oil heat now, your home may have been heated by oil at one time. Does the old oil tank still exist?

ATTENTION: REAL ESTATE AGENTS

We will be happy to provide an informational seminar at your office. We will cover issues regarding heating oil tanks and explain the PLIA registration process to protect your clients and the sale of their home.
